

thislife magazine is a people-orientated lifestyle magazine that brings stories of hope to South African communities, and features ordinary people and celebrities who have found meaning in life. It was born out of a group of Cape Town churches but its readership is broad and reaches much further. The magazine is free, but should you wish to have copies delivered to your door, sign up to purchase **3 consecutive issues for R100 (cost covers postage and packaging)**.

Please complete this form in block letters and send with confirmation of payment to thislifemag@gmail.com or fax 021 797 6180. For direct queries, call 074 631 1070
